

Addies Pond Pool Rules and Reservation Policy and Procedures (Rev. June 2017)

Please note that submitting a reservation does not entitle a group to exclusive use of the pool.

The reservation is a means to ensure that the pool is not overcrowded with large groups at any given time. Other residents and their guests may be using the pool at the same time that a reserved group event is going on.

Pool Hours are 8:00 a.m. - 10:00 p.m. (Parking lot gate automatically locks at 10 p.m.)

Reservations are needed for any group larger than 10 people. Groups cannot exceed 20 people, which will include non-swimmers in the pool area.

Reservations must be submitted on the attached form a minimum of 1 week in advance of the planned event.

The pool may be reserved during the normal pool season.

Reservations cannot exceed 3 hours in length.

All events must be completed and the area vacated by 9:00 p.m.

Reservations must be made by an Addie's Pond homeowner over the age of 21.

Reservations may only be made by homeowners who are in good standing with the HOA.

Groups utilizing the pool must adhere to posted pool rules and to all local, state and federal laws and ordinances.

Groups must be adequately chaperoned and monitored at all times by an Addie Pond homeowner.

Reservations may not be made on holidays or holiday weekends or during any scheduled Addie's Pond community event.

Upon completion of the event, the responsible homeowner must ensure the pool is cleaned. All damages must be immediately reported to the HOA point of contact and repair or restitution arrangements made.

If anyone sees any activity in or around the pool and surrounding area that may endanger our residents or any part of our facility, please report it immediately to a member of the Recreation Committee or to a member of the Addie's Pond HOA Board of Directors. **For questions or comments concerning these policies and procedures, please contact Addie's Pond HOA Board of Directors at addiespondhoa@gmail.com**
